Little Flower Nursing Home is situated 200 metres off the main Galway / Limerick Road, 15 miles from Galway City, 5 miles from Gort Town, and 5 miles from the Burren of Co. Clare and Kinvara Beach.

Our website has a celebrations page which features our residents enjoying birthday parties and other festivities. This site is updated regularly.

All residents are encouraged to be as independent as possible and are afforded the utmost respect from all staff members. The Little Flower Nursing Home provides all medical equipment that may be required by its residents including, where necessary, electric hi-lo beds, pressure relieving mattresses, pressure relieving seat cushions, reclining armchairs etc.

Our Nursing staff work in conjunction with the Hospitals and all local G.P.s in order to provide the highest standard of Nursing and medical care.

The local parish priest celebrates mass in the home every week and administers Holy Communion every Sunday. A privately set Oratory is available to all residents who would like some quiet time for prayer and contemplation.

The home is also located close to the village church, shops, pub and bus stop, while visiting hours are only restricted at mealtimes for the comfort of the residents.

Little Flower Nursing Home is a home away from home. This family run home is renowned for its warm and friendly staff and the high quality of nursing care given to all its residents.

Competitive rates available.
Choosing the right nursing home is a vital decision for your loved ones and the Little Flower Nursing Home is a real home away from home. We are developing a fast growing reputation as one of the best nursing homes in the county.

The Little Flower Nursing Home is committed to the highest possible standards in residential nursing home care with all care staff being highly trained, having completed their FETAC Level 5. This is also illustrated in the high ratio of staff to residents.

The staff of The Little Flower Nursing Home are friendly and extremely helpful. Our qualified Nurses are professional and diligent in their duties while also maintaining the friendly atmosphere of the Home.

All meals are prepared in a state-of-the-art, modern commercial kitchen and preparation area. We pride ourselves on our top quality home cooked meals and baked products, such as home made apple and rhubarb tarts and crumbles, home made brown bread, scones, cakes, pies and quiches. All produce served at the Little Flower Nursing Home is of the highest quality and sourced locally whenever possible. Residents are encouraged to part-take in the Green Finger activities. A large poly-tunnel is provided in the garden where fruit and vegetables are grown which in turn are used in the kitchen.

Services available to residents include Chiropody, Reflexology and Physiotherapy. We also provide a Sonas workshop which is dedicated to Dementia and Alzheimer’s residents.
